

Output:

The screenshot shows a web-based terminal with a dark blue background. At the top, there is a header bar with four tabs: ">_ Console" (selected), "Shell", "Markdown", and a plus sign for more tabs. To the right of the tabs are icons for search and trash. The terminal content shows the execution of a program with the following steps:

```
>_ sh -c make -s
>_ ./main
```

Enter the departing city:
miami
